Ideas in the Pipeline

- ECR Teach!
 - A new team-based training programme for ECRs to learn how to create a new course and then deliver it through ICE
 - Get paid for the courses you create and deliver, and develop your teaching and training skills
- Book Groups
 - Monthly book groups in areas such as popular science, technology, social science led by ECRs for adult students
 - A more informal form of lifelong learning

Contact

- James.Gazzard@ice.cam.ac.uk
- We would be delighted to engage with more Cambridge ECRs, it will be essential for ICE's future success
- Open Day, Sat 1st April

Find **your** place at Cambridge, at our annual Open Day on Saturday 1 April 2017.

Hear University experts speaking on their specialist subjects, and get a flavour of what it's like to study at historic Madingley Hall. Plus you can take advantage of special offers if you enrol for courses on the day.

The morning will focus on **personal enrichment courses**, reflecting the very best of the University of Cambridge's part-time courses in the arts, humanities, social sciences and natural sciences.
